ENGAGEMENT

REMINDERS:

Please ensure that when at the end of a module, you complete the evaluation form.

Please make sure that you are continuing to engage with the UCL

Extend platform regularly. Mark tasks as done to register your completion of them.

Engagement with the Early Careers Framework, both on UCL Extend and with cluster facilitators is an expectation of your Statutory Induction or role as mentor.

If circumstances arise meaning you can't attend training, please let us and your cluster facilitator know as soon as possible. **You must include your Induction Tutor in your apology correspondence.**

Engagement for Year 2 mentors both on UCL Extend and in meetings is sadly lower than anticipated and UCL are aware. Please ensure that your Mentor time is protected and takes a priority with your school. If you require support with this, please do get in touch.
